

## Real Results in Real Time

Rapeleaf's API gives you access to the most up-to-date and complete online consumer data available today – right when you need it. Rapeleaf's API lets you integrate Rapeleaf data into existing platforms to help you do the following instantly:

- Make real-time decisions
- Understand the online social characteristics of your audience
- Verify customer information
- Qualify web leads
- Append information to customer databases
- And much more

## Fresh, Accurate Intelligence

Rapeleaf's data is collected from public information across social media. Unlike traditional data vendors, we constantly search for the latest information so you always have up-to-date intel.

## Unmatched Scale and Reach

We pride ourselves on enterprise-level data capabilities. Today, Rapeleaf:

- Has insight into **625+ million** email addresses
- Indexes over **2 million** new emails every day
- Processes **5 million** transactions daily
- Averages **30 ms** response times for API queries

## Instant Customer Profiles

Email	Name	Age	Gender	Location	Friends
<a href="mailto:jdoe1@yahoo.com">jdoe1@yahoo.com</a>	John Doe	28	M	Covington, GA	127
